

ATTESTATION

BP-810-16293

BCCA declares that the company

Vandezande (Vameco) bvba
Zeepziederijstraat 5 bus 62, BE - 8600 Diksmuide,

takes the necessary measures, in accordance with the Implementation Rules for the certification of persons within the framework of the Industrial Painters 'Anti-corrosion' (BP-810), to ensure that confidence may exist in the continuous competence of its certified painters and in the method used to carry out industrial painting works in accordance with the NBN EN ISO 12944-7:1998 and with the reference systems for the competence of the painters: BP-810-10.4.1, BP-810-10.4.2, BP-810-10.4.3 and BP-810-10.4.4.

This attestation confirms that the company commits itself to:

- provide the certified industrial painters / metallisers working for the company with the appropriate equipment;
- ensure that the industrial painting works are carried out in accordance with the rules and practices of its field.

The company shall follow up its certified personnel by registering the following information and keeping it available to BCCA:

- list of personal details;
- list of all works carried out;
- complaints register;
- register of the training courses followed and those still to be followed.

BCCA provides an external surveillance at the company that consists of an annual audit to check the aforementioned points.

This attestation is valid for 1 year as long as the conditions of the Implementation Rules TRA-BP-810, the reference systems and the company's own execution conditions do not change significantly.

BCCA will provide the necessary information after every valid request concerning the validity of this attestation.

N° attestation BP-810-16293 | Valid from 09-03-2019 until 09-03-2020

Issued in Brussels, on 19 July 2019.

ir. B. De Blaere,
General Manager
